

MAIN STREET DESIGN ASSISTANCE

Owning a historic downtown property is a big job! Preserving and maintaining turn of the century architectural design is important to Main Street Nevada. Being an investor in our organization provides resources and tools to help you navigate the design elements of your building. Not sure where to start? Let us assist!

Where do I begin?

1 Consider your needs.

Check all that apply:

- The facade needs work
- I need structural assistance
- The windows need work
- I need new signage
- _____

2 Meet with us!

Contact Henry to set-up an appointment.

3 Plan with us

Once we've established your needs, a path for design assistance and grant opportunities will be presented.
